TERMS & CONDITIONS OF SALE

1. SETTLEMENT TERMS. Accounts are strictly nett with payment to be received on or before the twenty-first day of the month following despatch of goods. Credit accounts are opened subject to approved references.

2. CARRIAGE IS EXTRA.

3. RISK AND TITLE. The legal title in all goods supplied remains with us as long as there is any indebtedness in respect of any transaction whatsoever and whenever arising. The customer shall only be at liberty to sell the goods purchased from the Company prior to the passing of title on the understanding that if the customer does sell the goods then the customer will hold on trust for the Company so much of the proceeds of sale received by the customer under contracts which include any of the goods hereby sold either in their original or altered state as necessary to discharge payment in full to the Company.

4. CANCELLATIONS cannot be accepted for goods requiring special manufacture or modification. Goods may only be returned after written agreement by us.

5. TELEPHONE/VERBAL ORDERS. All confirmation orders received and not so marked shall be treated as new orders and if returned with our permission will be subject to a 15% handling charge. This action is regretted but essential to enable us to maintain a competitive price structure.

6. MINIMUM ORDER VALUE IS £20 UNLESS COLLECTED FOR CASH.

7. ALL PRICES QUOTED ARE SUBJECT TO VAT.

8. DESPATCH/DELIVERY. Although we make every effort to maintain sufficient stocks to be able to despatch ex-stock, our listing or accepting orders does not imply this obligation. Due to fluctuation in demand we shall not be liable to make good any loss or damage whether arising directly or indirectly out of delay in delivery. Goods are at Buyers risk from delivery.

9. SHORTAGES must be advised within 3 days receipt of goods otherwise we cannot accept claims.

10. NON-DELIVERY. We must be advised within 7 days of receipt of invoice otherwise claims cannot be accepted.

11. PRICES & SPECIFICATIONS. All quotations and specifications are subject to alteration and to withdrawal without notice. While every effort will be made to maintain prices as quoted, we can only accept orders at prices ruling at time of despatch. If the quantity ordered is less than that for which we quoted, we reserve the right to requote. All recommendations and specifications are given to the best of knowledge and ability, but we cannot accept any liability which may arise from their application.

12. ILLUSTRATIONS ETC. All illustrations, drawings etc. accompanying or referred to in our quotations or contained in our catalogue, price lists, or advertisements must be regarded as approximate representations only except where otherwise specified and are not binding in detail unless stated so to be in our quotations. All weights, measurements, performance, capacities and other particulars of the goods stated by us are stated in good faith as being approximately correct, but do not form any part of the contract and shall not be made the basis of any claims against us. We reserve the right to withdraw, add to and alter any standard types in our range, and to alter the prices and terms thereof, and do not undertake to carry stock of obsolete parts for more than a limited period. We make no warranty for the suitability of a product for a particular purpose.

13. DEFECTIVE PRODUCTS. We will credit/replace any products which we agree are defective and not due to misuse within six months from date of despatch, but we cannot accept liability for expenses incurred by customers on such defective products or for any direct or consequential damage arising from such defect. Misuse i.e. utilization of wheels and castors for purpose other than specified as intended use is for example if:

- a) Wheels and castors are used with higher load capacities than those specified in the catalogue.
- b) The objects are used on unsuitable, uneven floors.
- c) The ambient temperatures are too high or too low.
- d) The objects are moved by force with the wheels locked.
- e) The objects are exposed to particularly aggressive substances.
- f) The objects are subjected to improper rough impact and shock loads.
- g) Foreign matter may intrude into the tyres.
- h) Wheels and castors are used at excessive speeds.
- i) Modifications not approved by the manufacturer.

14. ALL ERRORS AND OMISSIONS EXCEPTED.

BIL can handle your handling requirements too

Aluminium modular hand and sack trucks, trolleys, carts, moving equipment and **SKOOTTS**[®]

BIL Materials Handling Division supply a range of product handling equipment that has satisfied the needs of our customers for over thirty years.
